Login Page:

The login page is meant to be a simple, standard style login page for the user to access the site. Standard features:

- Email button
- Password button

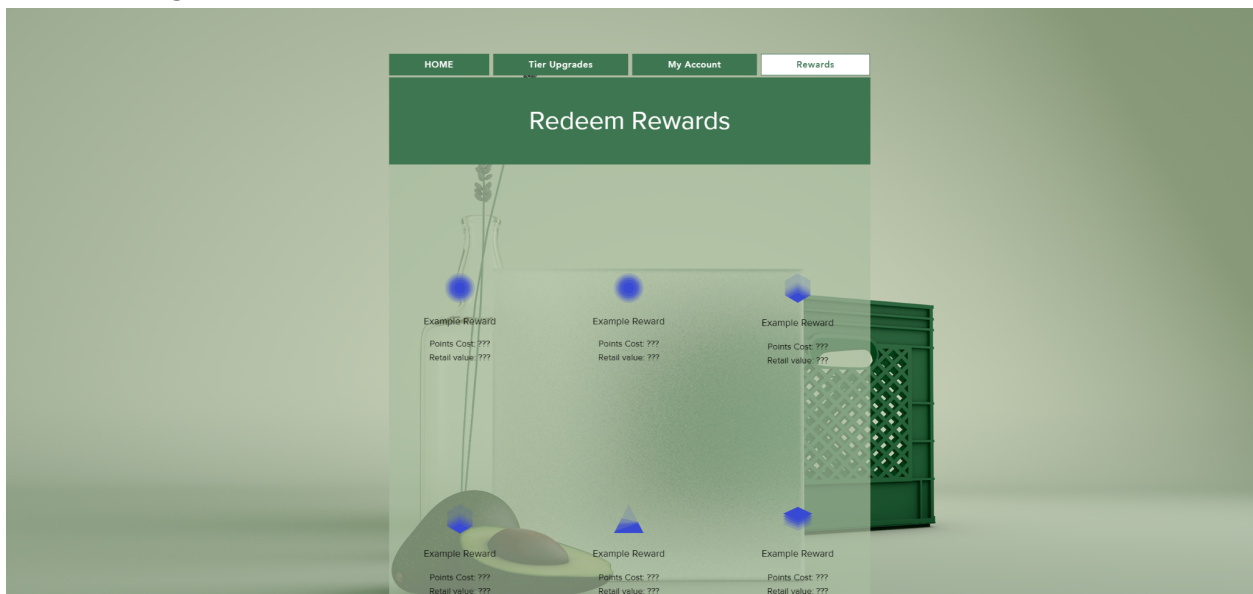

Home Page:

The home page will contain:

- The total number of points
- Conversion rates to affiliate rewards points and the converted amount
- Navigation buttons to go to other parts of the site/app

Rewards Page:

The user will be able to access this page from the home page once they are signed into their account. From here they will be able to purchase rewards using the points from not only our rewards program, but from Zafin's partners rewards program as well, through points-conversion.

Settings/Account Page:

The screenshot displays a user's account settings page with a navigation bar at the top containing 'HOME', 'Tier Upgrades', 'My Account', and 'Rewards'. The user's profile is shown as 'Dominic Roy' with a circular avatar containing the letter 'D'. Below the profile, there are two tabs: 'Tier upgrade' (selected) and 'My Account'.

The screenshot shows a user account settings page for Dominic Roy. At the top, there is a profile picture placeholder with a blue circle containing the letter 'D' and the name 'Dominic Roy'. Below this, there is a 'Tier upgrade' section with a 'Discard' button and an 'Update Info' button. The main section is titled 'My Account' and includes a sub-section 'Display Info' with a text input field containing 'Dominic Roy'. Below that is an 'Account' section with fields for 'First Name' (Dominic), 'Last Name' (Roy), and 'Email' (dominic.roy2003@gmail.com). There is also a 'Phone' field. At the bottom right of the account section, there are 'Discard' and 'Update Info' buttons.

The settings/account page will give users access to their account information, including:

- Affiliate points
- OLP points
- Banking information that they have attached to their account
- Password and security settings
- Email addresses and other user info

There will also be a “tier upgrade” tab where the user can spend money in order to upgrade their current OLP rewards account so that they get better rewards.
