

Since those files were too big to upload to Maker Repo and compression didn't help either, we'll provide the links for the GitHub repo and the YouTube Link in this document.

GitHub Repository Link (Contains all the VR experience files):

<https://github.com/sspen094/GNGProject.git>

Final Project Pitch YouTube Link:

<https://youtu.be/1fQLJ5eqUIE?si=yXI-2UqS21UOw7Ut>
