

**Project Deliverable I:**  
Design Day Presentation Material

University of Ottawa  
GNG1103: Engineering Design  
Group 10

April 4, 2024

Catherine Satoh (300351169)

Fahad Husain (300361090)

Jennifer Campbell (300359940)

Manning Whitby (300118220)

Reese Jenkins (300393859)

## **Table of Contents**

1.0 Introduction .....	3
2.0 Video Materials.....	3
3.0 Poster board .....	4
4.0 Summary .....	5

## 1.0 Introduction

Problem Statement: Mines Action Canada needs an accessible VR experience and a short video (1 min) demonstrating the dangers and ethical concerns of autonomous weapons and how civilians adapt their environment to survive.

## 2.0 Video Materials
